STATEMENT AS OF JUNE 30, 2016 OF THE AMERIHEALTH MICHIGAN, INC.

NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies and Going Concern

The financial statements of AmeriHealth Michigan, Inc. (the Company) are presented on the basis of accounting practices prescribed or permitted by the Michigan Department of Insurance and Financial Services (DIFS).

The Michigan DIFS recognizes only statutory accounting practices prescribed or permitted by the State of Michigan for determining and reporting the financial condition and results of operations of an insurance company, and for determining its solvency under Michigan Insurance Law. The National Association of Insurance Commissioners' (NAIC) Accounting Practices and Procedures Manual (NAIC SAP) has been adopted as a component of prescribed or permitted practices by the State of Michigan. The State has adopted prescribed or permitted accounting practices that differ from those found in NAIC SAP. Currently, "prescribed" statutory accounting practices are interspersed throughout the state insurance laws and regulations, NAIC SAP, and a variety of other NAIC publications. "Permitted" statutory accounting practices encompass all accounting practices that are not prescribed but are permitted by the domicile state department of insurance; such practices may differ from state to state, may differ from company to company within a state, and may change in the future.

A reconciliation of the Company's net loss and capital and surplus between NAIC SAP and practices prescribed and permitted by the State of Michigan is shown below.
